

Srebrenica Genocide: A Memorial Event by Newcastle's Peace & Unity Initiative

Wednesday 11th July 2018 at 18:30 hrs
The Church of the Holy Cross

This Memorial Event is a significant opportunity to bring together the rich diversity of communities in Newcastle to commemorate the murder of 8,372 Muslim men, women and children in the Srebrenica Genocide of July 1995. We stand alongside members of Newcastle's Bosnian community in mourning the tragic loss of life and pledge ourselves to combating the fear and hatred of the 'other' which can divide people of differing faiths, cultures, ethnicities and philosophical views.
