Let's build bridges and pray for peace.

During the last few months both sad and positive events have emphasised the need for better Christian and Muslim relations. During Pope Francis' visit to Morocco at the end of March he reminded us that it is 800 years since St. Francis met with Sultan al-Malik al-Kamil and both he and the King of Morocco spoke warmly of the importance of Christian and Muslim dialogue. Some people in our area have been working on this for some time.

Since 2010, a group of Christian and Muslim women have met annually to pray for peace in the ruins of St. Mary's chapel in Jesmond. St. Mary's chapel was once an important medieval shrine to Our Lady, so it provides a suitable and very tranquil setting in which to honour Mary the mother of Jesus and to pray for peace.

It would be lovely if you could join us this year at 2.30p.m. on Sat.29th June. The shrine is situated towards the Jesmond Dene end of Reid Park Rd. but by car you need to approach from Osborne Rd..

In the shrine we share readings about Mary from the Bible and the Qur'an, some hymns and prayers for peace. We then proceed either by car or on foot to Holy Name parish hall for some vegetarian refreshments and a chance to share ideas. Holy Name parish hall is on Towers Ave.-about half a mile from the shrine.

Traditionally this event is limited to women, girls and young children only. It is open to women of all faiths and none who are keen to promote unity and understanding between peoples and to pray for peace.
