

Hogarth Partnership Explores the Cracks

More than forty women from across the Hogarth Partnership gathered at Carmel Divine Retreat Centre in Darlington on 24 March for a Day of Prayer and Reflection for Women.

The theme of the day was *'There's a crack in everything, that's how the light gets in'*, and the sessions, led by Sr. Sheila McNamara, focused on various forms of prayer which lead them closer to God, and an opportunity to try them out in an experiential way. Partnership Chair Julie Humphrey thanks Sr. Sheila for *'giving us the permission, space and experiences to become closer to Jesus as a community'*.
