

## 11\_LITURGY OF MERCY TEMPLATE

During the Year of Mercy, our former deaneries celebrated Liturgies of Mercy. There were very successful and many people found healing and reconciliation through them. We have included a template of such a liturgy which you might use in your Partnership during Lent.

## 12\_ARCHIVE LENT 2015

In addition to the 2018 Lent Resources, file folder 12 contains the materials produced for Lent 2015 which was the last Year B cycle.

## CD RESOURCES

On the CD, you will find a range of resources. There are Leaders' Guidelines which give guidance about how to use the materials for group meetings during Lent and in Eastertime. They are designed to be adaptable and can be used in small groups but also by individuals.

There are several folders. Each folder name begins with a number which we hope will help you to find the things you might need.

## 01\_LENT TO 07\_EASTER

In each of these folders, you will find resources for meetings to help reflect on the Sunday Gospels of that week.

The resources include:

- Leaders' notes
- a participant's booklet
- the Gospel text
- and a PowerPoint presentation.

## 06\_HOLY WEEK

Contained in this folder is a booklet with a reflection for the Gospel reading for each day. There is no set meeting for this week but, for those who would like to get together, the reflections could be used as the basis for one.

## 07\_EASTER

This folder offers a session using the Road to Emmaus to remind us how Jesus walked alongside the disciples and gave them courage and wisdom to continue the journey together with other people of faith.

## 08\_DAILY EMAILS

The daily reflections are not available on the CD. These reflections will be available to download from the diocesan website in the near future. Please check [www.rcdhn.org.uk](http://www.rcdhn.org.uk) and follow the link to the Lent Resources.

## 09\_PRAYER STATIONS

This folder contains a prayer station for each week in Lent and into Eastertime. They can be used for personal prayer—or set in a plastic stand or picture frame somewhere in the church or school—or, together, form a series of “stations” for people to stop at and reflect on during a time of quiet reflection during an evening or morning meeting. One parish has used them as a “penance” during a Penitential Service—people being invited to spend time with one or more of them to pray in a deeper way.

## 10\_EXAMEN

This has an explanation of the Examen and a choice of two business-card size templates that can be printed commercially or at home/ parish. They should work with any Avery A4 business card—or compatible—sheets. Please print out a sample and check before purchase! You might like to give the cards to people during your session or as part of a Penitential Liturgy—or even print enough to hand out, with an explanation, at Mass.

The texts are provided for you to use as a basis for preparing your own guided reflections if you wish.
